Infrastructure Projects - Registration of Interest

Please select one from the below options *

- ☐ I wish to submit a new project
- ☐ I wish to update the details of this project
- ☐ I wish to withdraw this project

To develop a better understanding of sport and active recreation infrastructure in South Australia the Office for Recreation, Sport and Racing is developing a database of proposed sport and active recreation infrastructure projects across the State.

The registration of interest is designed to collect essential information to build a database of projects. With permission, key project details will be viewable on this page, as well as, sent to potential stakeholders such as State Sporting Organisations and Local Councils.

The goals are to:

- Improve industry wide project awareness to maximise partnering potential.
- Improve project quality and
- Foster early conversation to improve the quality of potential grant applications or approaches for funding.

ORSR understands there is a range of different projects across South Australia in terms of size, type and value. Please provide as much information about the proposed project as possible. Noting that only questions marked with a red asterisk are mandatory.

Please note this is not a grant application.

How ORSR will use your information

Where proponent approval has been given, information will be made public on the ORSR website. The purpose of this is to inform other key stakeholders including local councils and state sport and active recreation peak bodies so that they can better plan for their facility provision, avoid duplicating and where appropriate promote collaboration on the projects

Information may also be used to determine appropriate grant funding program for a particular project should one be available or upcoming.

Where the total estimated cost of a project is \$2 million or more, the project may be included in the State Sport and Recreation Infrastructure Plan

I give permission for the information provided within this form to be made publicly visible on the ORSR website. *
